

## Alive

Go ahead call me out my name, but holla back in three days  
Hear me when I say I'm gonna turn this party out  
Nailed me in my feet, nailed me in my hands  
But in three days I promise you that I'm gonna rise again

A

Oh, oh, oh, I was there  
When they pierced him in his side The Savior's dead  
But I just left the tomb and He's

B

(A) Not there (S) Not there (T) What'd you say to me?  
(A) Not there (S) Not there (T) Are you kidding me?  
(All) He's not there  
(A) Not there (S) Not there (T) Where's his body at?  
(A) Not there (S) Not there (T) Who rolled the stone back?  
(A) Not there (S) Not there (T) I don't believe that  
(All) He's not there

C

Go ahead whip me on the three-nine, Look into my eyes  
You could never kill me, I was murdered willingly  
I could have called ten thou' To come and bail me out  
But I took it like a champ, grave can't hold me down, I'm invincible

Sunday morning it was on and poppin'

The stone was rolled away, I told death behave
