

Joyful Joyful 2025ver.

Joyful, joyful, we adore thee  
God of glory, Lord of love  
Hearts unfold like flowers before thee  
Hail thee as the sun above  
Melt the clouds of sin and sadness  
Drive the dark of doubt away  
Giver of immortal gladness  
Fill us with the light of day

**Intro**

Come and join the chorus  
The mighty, mighty chorus  
Which the morning stars began  
The father of love is reigning over us

**C**

(By the way)  
What have you done for Him lately  
Ooh, ooh, ooh, ooh, yeah  
What have you done for Him lately  
He watches over everything, so we sing
